

CENTER FOR THE ARTS

"I agreed to be a celebrity dancer to help raise funds to build a Center for the Arts in Harford County because..."

...As a life long resident of Harford County I have witnessed first hand the changes that have taken place in the recent decades. When you see the stores and businesses we are attracting now you see that we are becoming more sophisticated in the ways we live, work, shop and go to school. Along with that comes a more sophisticated appreciation for art and creativity. I do not pretend to know a lot about the arts, but I do know an arts center will become an important part of our future.
