

CENTER  FOR THE ARTS

"I agreed to be a celebrity dancer to help raise funds to build a Center for the Arts in Harford County because..."

...There is no doubt that we need a Center for the Arts here in Harford County and it should be a fantastic one. The Center should be a place where citizens can see great performances and exhibits, be part of the arts themselves, and attend classes in various disciplines in the arts. The Center should be an exciting and beautiful place that is of bold design and an area landmark. It can be many things to many people, A Center for the arts!!"
