

CENTER FOR THE ARTS

"I agreed to be a celebrity dancer to help raise funds to build a Center for the Arts in Harford County because..."

...I fully support the need for an arts facility because it will become the fabric of our community, much the same as libraries, parks and recs. The cultural aspect of art, music, dance, theater, and the visual and literary arts will have a positive impact on the lives of all citizens and will create a new energy in the county.
