

CENTER  FOR THE ARTS

"I agreed to be a celebrity dancer to help raise funds to build a Center for the Arts in Harford County because..."

... Without the availability of arts and art education in Harford County, our cultural heritage and the magnificence of our community would be vastly diminished. From the young girl taking her first dance class, to the prima ballerina; from the high school band trombonist to the jazz musician; from the student artist's first project to the recognized work of a renowned artist, our lives are touched and brightened by the sheer presence of these activities and the people involved.
