

CENTER FOR THE ARTS

"I agreed to be a celebrity dancer to help raise funds to build a Center for the Arts in Harford County because..."

...I would like to give back to the people of Harford County. I am very grateful to be a resident of a county that offers so much art, culture, and has been so supportive of me. A new and bigger Center for the Arts is very much needed in this county, and I am blessed to be a contributor to something that will mean so much for the residents of Harford County and beyond."

Dr. Mary Teddy Wray
