

CENTER  FOR THE ARTS

"I agreed to be a celebrity dancer to help raise funds to build a Center for the Arts in Harford County because..."

... I believe the arts are a vital part of a healthy community and the addition of a community arts center would be a crowning jewel for Harford County. While acting as a central organization to bring the arts together and enhance learning opportunities, an arts center in our own backyard would alleviate the transportation and accessibility challenges we currently face when seeking entertainment as well as contribute to the economic vitality of our community.
